SANYU APPRAISAL CORPORATION

Firm Overview

Sanyu Appraisal Corporation, an independent, third party appraiser providing real estate appraisal and survey services, is one of the leading firms in Japan in its field.

Committed to Quality

Our team of expert appraisers and surveyors, some of whom hold MAI and MRICS designations, ensure accurate, timely and consistent service.

Years of Dedicated Experience

Our company boasts the combined knowledge and skill of over 380 affiliated real estate appraisers throughout Japan.

National Coverage with Local Expertise

Whether handling a single property or an entire portfolio, we provide specific market familiarity with consistency among all appraisal reports.

Best Practices Are Our Minimum Standard

We maintain only the highest standards as one of the country's largest independent real estate valuation and consulting firms.

Providing Transparency in Today's Murky Real Estate Markets

Our expertise is rooted in a solid foundation of unfaltering professionalism and consistent trustworthiness.

BUSINESS LINE

Real Estate Appraisal

We appraise all kinds of real estate properties—ranging from commercial properties to industrial, special purpose, residential and healthcare properties—for various purposes by clients.

Real Estate Survey

Our real time, on-demand service organization allows us to carry out high volumes of surveying quickly and efficiently across wide areas while maintaining uniformity and consistency of quality.

In addition, we survey the current conditions of real estate in areas affected by earthquakes and/or tsunamis.

Other Services

In order for clients to make decisions on environmental risk quickly and accurately, we provide plant and equipment appraisal and a one-stop service for engineering reports.

In addition, we provide a variety of reports on real estate market trends and real estate analysis by industry.

LEADING PROVIDER IN PROPERTY VALUATION

Sanyu Appraisal Corporation offers a wide array of consulting services including valuation, cash flow analysis, property inspections and market studies.

Founded in 1980, Sanyu Appraisal Corporation is the largest producer of appraisal reports within Japan, and top-ranking in sales revenue and number of licensed appraisers, respectively.
